Experience

UI/UX Lead Designer Intern | Sentari AI

June 2025 – Sep 2025

- Led the creation of user-centered, visually appealing mobile app interfaces using modern design principles to improve user satisfaction and engagement.
- Conducted user research and usability testing to better understand user behavior, iterating mobile workflows and visual elements based on feedback for enhanced usability.
- Produced detailed wireframes and interactive prototypes to map efficient user journeys, test navigation paths, and communicate app concepts to developers and stakeholders.
- Collaborated closely with the head designer, engineers, and stakeholders to ensure cohesive mobile app experiences aligned with product vision and user needs

UX Research & Design Intern | MarketEQ

Jun 2024 – Aug 2024

- Joined the design team at MarketEQ - a AI driven Market Agency
- Assisted with end-to-end design process of the career portal.
- Created high-fidelity mockups for the onboarding flow, and shipped Figma prototype.
- Conducted market research and competitive analysis of best-in-class products, presenting a research presentation using Google workspace.
- Collaborated daily with designers, researchers, and developers to ensure alignment with user needs and business goals.

Freelance Designer

Oct 2023 - Present

- Designed and built websites for Long Island LLCs, increased client base by 20% in 3 months.
- Designed posters for university social events.

Student Ambassador/Designer | LOUD Enterprise

Dec 2021 – Dec 2022

- Designed T-shirts, hoodies, sweatpants, and logos for university clubs
- Identified potential clients and design opportunities through outreach and engagement

Activities

Memembr | ISCHOOL UX Club

Sep 2022 - May 2025 | Madison, WI

- Planned and facilitated weekly workshops on UX fundamentals
- Assisted in designing and building the clubs website to facilitate design critiques, host meetings, and organize club events.
- Curated and led monthly design sprints, pairing students with real-world briefs

Director of Personal Relations and Webmaster | Delta Tau Delta

Jan 2022 - Jan 2023 | Madison, WI

- Designed and developed the clubs website using the tools Figma and VSCode
- Created branding for events with graphics, posters, and digital content
- Designed custom merchandise for recruitment and fraternity events
